My aunt, whose name is Anne M. Baroniak, served in the Army Air Corp during WW 2 as a flight nurse no N 788 824. I have her discharge Form 53-99. She served from 26 Aug 43 to 12 Mar 46. Her discharge papers show she served in the India-Burma, China Defensive. Air Offensive Japan and Western Pacific campaigns. She was awarded the DISTINGUISHED FLYING CROSS, BRONZE STAR METAL, AIR METAL, AMERICAN CAMPAIGN METAL, ASIATIC PACIFIC CAMPAIGN METAL W/4 BRONZE BATTLE STARS and a WORLD WAR II VICTORY METAL. She was discharged as 1st Lt.

I am trying to find any additional information concerning her service. Could you please help me or direct me as to where I may find more information?

Thank you for your time.

respectfully
